

# Youth Mentorship Program

## Potential is Everywhere

Youth in our community have an abundance of potential - they just need someone in their corner to help them realize it. BBBS has partnered with Lutheran Family Services to create a new youth-serving mentoring program.

Together, we hope to create positive change in our community by matching young refugee students with adult mentors to build powerful friendships, experience mutual learning and cultural integration, and provide young people with social, emotional, and educational support.

## Become a Mentor

Volunteers tell us that being a mentor is one of the best experiences that they have ever had.

Here are some things to think about:

- Mentors must be at least 18 years of age. We ask that mentors see their mentees for 4-8 hours each month, and commit to volunteering for at least a year.
- You would do the same things with your mentee that you would do with your friends! This could include playing games, going on hikes, enjoying a meal or activity together, and more.

Just hang out! It's that easy.

- You are not alone in this. Staff from BBBS and LFS are there to support you and provide resources and opportunities.

Volunteer today at [bbbs-cnm.org](http://bbbs-cnm.org)!
